* When preparing the order, the surfaces are selected randomly, therefore, the continuity of textures is not guaranteed.
* Color samples are for a general reference only. Tile is made with all natural materials; therefore, is subject to variation in color and/or texture.

Crema 12" x 24" & 24" x 24" honed & polished

 Per collection

Data taken from a representative through body collection. Individual product testing can be conducted by request.

Coefficient of Friction: all values are given for matte or honed material. No values are given for polished material. Iris U.S. does not recommend polished surfaces in areas subject to exposure from grease, oil or water. (All values are based on ASTM C1028 and Acutest DCOF). The above information is a subject to change.
